REQUEST FOR EXPRESSIONS OF INTEREST
(CONSULTING SERVICES – INDIVIDUAL CONSULTANT)

Grant No.: -

Project ID: P-SD-FFO-001

The Government of the Republic of the Sudan received finance from the African Development Fund to finance the **Solar (PV) Powered Pumping for Irrigation (Desert-To-Power Initiative)**

Project

The Project aims to develop and accelerate the adoption of off-grid solar PV powered pumping systems in farmlands by replacing the diesel-based water pumps with solar (PV) powered pumps. The project covers two states, North Kordofan and West Kordofan.

It is intended that part of the proceeds will be applied to eligible payments under the contracts for the recruitment of individual consultants (full-time) for the positions of **Agriculture Extension Officers (Two positions)**

The individual consultant will be a member of the project implementation unit (PIU). The PIU will be in **Elobied City**.

Ministry of Energy & Mining now invites eligible individual consultants to indicate their interest in the above assignment. Interested consultants must provide information indicating that they are qualified to perform the services in the form of curriculum vitae (CV) detailing position held, project experiences and detailed tasks performed.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank's "**Procurement Policy for Bank Group Funded Operations**" dated October 2015, which is available on the Bank's website at <http://www.afdb.org>. The estimated duration of the contract is 12 months with possibility of extension subject to satisfactory performance. The estimated starting date of the assignment is April 2020.

Interested consultants may obtain Terms of Reference (ToR) for the service or further information from www.wepd.org/ www.swp-sd.org
